The evening was long  
My guesses were true  
You saw me see you  
That something you said  
The timing was right  
The pleasure was mine

The time and the place  
The look on your face  
Sincerest eyes

If you're ready or not  
The state of our hearts  
There's no time to take

When we started  
Both brokenhearted  
Not believing  
It could begin and end in one evening

We were caught by the light

Held on the day  
'Till it became hours  
The minutes went by  
The cab is outside  
There's no time to take

When we parted  
Moving on  
And believing  
It could begin and end in one evening

When we started both brokenhearted  
Not believing  
It could begin and end in one evening  
When we parted  
Moving on  
And believing  
It could begin and end in one evening
