I will always think of  
How I can count off the hours  
Maybe I could be the sonar  
Reading all all the sound

BA BADA BA BADA DI

Winter is so hollow  
In the month of Snow Lion  
His teeth are getting sharper  
On a shoulder blaze

BA ADA BA ADA DA

That is not supposed to keep you warm  
It hasn't turned to night  
But still a great time  
And in the empty months  
Of me in good light

And I was in a shuttered room  
And living in the movie  
Alone inside the story  
Waiting for two to be you...

BA BADA BA BADA... and me

That is not supposed to keep you warm  
Baby I was with you all of the years  
It could be a fire on the snow

I will always think of  
How, how to count off the hours  
I could be the sonar  
Reading all of the sound

BADA BA BADA DA DO

Winter is so hollow  
In the month of Snow Lion  
His teeth are getting sharper

On a shoulder blaze

BADU BA BADU DA DU

Winter is so hollow
