When the temperature dips, I'm in my baby's arms  
His tender fingertips know just how to keep me warm  
It may be zero degrees with the snow fallin' down  
I've got warm and tender love just as long as he's  
around

Chorus:

It may be winter outside  
But in my heart it's spring  
How much joy and pleasure  
Can one guy bring

Winter nights can be awful cold  
Without someone to hold  
But when I have you next to me baby  
I'm in ecstasy

(Repeat Chorus)

Throughout my life I've had my share of guys  
But he's been the only one  
Who can make my temperature rise  
Things are just not the same  
When he's not by my side  
And yet I shouldn't complain  
But be waiting with my arms open wide

(Repeat Chorus to fade).
