At night
the only thing thats running through my mind
is how the hell could I, let you go
no no
in time, i hope that you can pass me by
so i can take the time to let you know
no nooo

girl I, i know that i can make you smile
ill be the father of your child, yeah
ohohohoho
and I, i apologize for all these nights
i watched you cry, in pain, OH

girl im leaving tomorrow
im so filled with sorrow
im as cold as the snow
and I hope you can follow
me to colorado
or wherever I go
whenever i go
go go go go
go go go go
wherever i gooo

yeah, and in my mind i know that deep down in side
your hearts beating next to mine, and your soul woahh
but you fear that after what i have done
my clouds will blanket the sun, no more rain woahh

cant you see that i have conquered my fears
my futures looking so clear, but girl i need you right
here woahhh

Girl im leaving tomorrow
im so filled with sorrow
im as cold as the snow
and i hope you can follow
me to colorado
or wherever I go
wherever i go
go go go go

go go go go
wherever i go
wherever i go
wherever i go

oh girl im leaving tomorrow
im so filled with sorrow
im as cold as the snow
and i hope you can follow
me to colorado
or wherever i go
wherever i go
go go go go
go go go go

girl im leaving tomorrow
im so filled with sorrow
im as cold as the snow
and i hope you can follow
me to colorado
or wherever i go
