"My Way"

Visit "[My Way](#)" on MotoLyrics.com

I don't say I've got the truth - I've just never seen any
proof
I have neither been down in hell- Nor seen all the
angels as well

I don't want to walk in others shoes - Or play your kind
of blues

I want to live my life free - day by day
I want to live my life free - goin' my way
I want to live my life free - day by day
I want to live my life free
To your opinion I pay respect - But my own I'll never
neglect
I always make my own rules - Never follow the other
fools

I'm not your puppet on strings - always fly with my own
wings

You try to engage my individuality - Better work on your
personality
Can't keep me under your control - 'Cause I won't fit in
any role
