"Never Let You Go"

I was like a fool
Messed around and I was cruel
I was cruel to you
I was lost until I found you
I was lost until you said
I'll never let you go
I'll never let you go
I'll never let you go
Out of my life
Out of my life
Let you out of my life

Take away the pain
Take away the ball and chain
Leave it in the rain
The pounding heart of the city neon
Hides the cries of lonely men
I'll never let you go

I'll never let you go
I'll never let you go
Out of my life
Out of my life
Let you out of my life

When you went way
I was relieved I must say
But that was yesterday
Now I'm lost and I can't find you
I'll never hear those words again
I'll never let you go
I'll never let you go
I'll never let you go
Out of my life
Out of my life
Let you out of my life
