Words come easy with you  
To keep them coming there's nothing I won't do  
And, love comes easy with you  
'Cause you've a face that makes my heart race

And, I'll be there my girl  
'Til the sun doesn't rise  
And I'll be there my girl  
When there's tears in your eyes  
And I'll be there my girl  
To hold you, when your feeling down  
'Cause when no one seems to care  
And life ain't being too fair  
I'll be there

And I'll be there, that's all I've phoned to say  
Whether you breakdown mentally or you are on the  
motorway  
When you've given up, there's nothing left to do  
My damsel in distress I'll do my best to rescue you

And, I'll be there my girl  
'Til the sun doesn't rise  
And I'll be there my girl  
When there's tears in your eyes  
And I'll be there my girl  
To hold you, when your feeling down  
'Cause when no one seems to care  
And life ain't being too fair  
I'll be there

'Cause when the feeling can't compare  
And no one seems to care  
I'll be there

'Cause when the feeling can't compare  
And life ain't being too fair  
I'll be there
