It seems like yesterday
but it was long ago
Janey was lovely she was
the queen of my nights
There in the darkness
with the radio playing low

And the secrets that we shared
the mountains that we moved
Caught like a wildfire out of control
'Til there was nothing left to burn
and nothing left to prove

And I remember what she said to me
how she swore that it never would end
I remember how she held me oh so tight
wish I didn't know now what I didn't know then

Against the wind
We were runnin' against the wind
We were young and strong, we were runnin'
against the wind

The years rolled slowly past
and I found myself alone
Surrounded by strangers
I thought were my friends
I found myself further and
further from my home

And I guess I lost my way
there were oh so many roads
I was living to run and running to live
Never worried about paying
or even how much I owed

Moving eight miles a minute
for months at a time
Breaking all of the rules that would bend
I began to find myself searching
searching for shelter again and again

Against the wind
A little something against the wind

I found myself seeking shelter
against the wind

(instrumental)

Well those drifter's
days are past me now
I've got so much more to think about
Deadlines and commitments
What to leave in
what to leave out

Against the wind
I'm still runnin' against the wind
I'm older now but still
runnin' against the wind

Well I'm older now and still runnin'
Against the wind
Against the wind
Against the wind

(against the wind)
Still runnin'
(against the wind)
I'm still runnin'
(against the wind)
I'm still runnin'
(against the wind)
I'm still runnin' against the wind

(against the wind)
Still runnin'
(against the wind)
Runnin' against the wind
Runnin' against the wind
(against the wind)

See the young man run
(against the wind)
Watch the young man run
(against the wind)
Watch the young man runnin'
(against the wind)
He'll be runnin' against the wind

(against the wind)
Let the cowboys ride

(against the wind)
Let the cowboys ride
They'll be ridin' against the wind
(against the wind)

(repeat to fade)
