Day after day im more confused
But i look for the light through the pouring rain
You know that's a game that i hate to lose
Oh im feeling strange, ain't it ashame

Ohh give me the beat boys and free my soul
I wanna get lost in your rock n' roll
And drift away
Give me the beat boys and free my soul
I wanna get lost in your rock n' roll
And drift away

Im getting the feelin that im wasting time
You dont understand the things i do
The World outside look so unkind
Im countin' on you, to carry me through

Ohh give me the beat boys and free my soul
I wanna get lost in your rock n' roll
And drift away
Give me the beat boy and free my soul
I wanna get lost in your rock n' roll
And drift away

And when my mind is free
No melody can move me
When im feelin blue
I guess im coming through and south me
Thanks for the joy that you've given me
I want you to klnow i believe in your soul
Let me rhyme in harmony
You helped me along, you're makin me strong

Ohh give me the beat boys and free my soul
I wanna get lost in your rock n' roll
And drift away
Give me the beat boy and free my soul
I wanna get lost in your rock n' roll
And drift away

Ohh give me the beat boys and free my soul
I wanna get lost in your rock n' roll

And drift away
Give me the beat boy and free my soul
I wanna get lost in your rock n' roll
And drift away
