by Young Jessie and Sam Ling  
I'm gonna tell you a story 'bout Mary Lou  
You know the kind of woman make a fool of you  
She make a young man itch  
She man an old man fart  
The way she took my money was a crying shame  
Mary Lou she took my watch and chain  
Mary Lou she took my diamond ring  
Mary Lou she took the keys to my cadillac car  
Jumped in my kitty and drove off far

Left me stranded in Kalamazoo  
Making her fortune off a fool like you  
She married a rich man  
Had a dozen mountain goats  
Drove that cat until he flipped his lid  
Come back into town about a year ago  
Told me she was sorry that she hurt me so  
I had a fifty-five Ford and a two dollar bill  
The way she looked at that man gave me a chill
