Just take those old records off the shelf
I'll sit and listen to 'em by myself
Today's music ain't got the same soul
I like that old time rock and roll

Don't try to take me to a disco
You'll never even get me out on the floor
In ten minutes I'll be late for the door
I like that old time rock and roll

Still like that old time rock and roll
That kind of music just soothes the soul
I reminisce about the days of old
With that old time rock and roll

Won't go to hear them play a tango
I'd rather hear some blues or funky old soul
There's only sure way to get me to go
Start playing old time rock and roll

Call me a relic, call me what you will
Say, I'm old-fashioned, say, I'm over the hill
Today's music ain't got the same soul
I like that old time rock and roll

Still like that old time rock and roll
That kind of music just soothes the soul
I reminisce about the days of old
With that old time rock and roll

Still like that old time rock and roll
That kind of music just soothes the soul
I reminisce about the days of old
With that old time rock and roll

Still like that old time rock and roll
That kind of music just soothes the soul
I reminisce about the days of old
With that old time rock and roll

Still like that old time rock and roll
That kind of music just soothes the soul

I reminisce about the days of old
With that old time rock and roll

Still like that old time rock and roll
