No matter what you think you pull
you'll find it's not enough

No matter who you think you know
you won't get through.
It's a given L.A. law
someone's faster on the draw

No matter where you hide
I'm comin' after you.

No matter how the race is run
it always ends the same

Another room without a view awaits downtown.
You can shake me for a while
live it up in style

No matter what you do
I'm going to take you down.

Shake down
break-down
take down

everybody wants into the crowded light

Break-down
take down
you're busted.
let down yovr gvard
honey

just about the tin4e you think that it's alright

Break-down
take down
you're busted.

This is a town where everyone is reachin' for the top
This is a place where second best will never do.
It's O.K. you want to shine

but once you step across that line

No matter where you hide
I'm comin' after you.

Shake down
break-down
take down

everybody wants into the crowded light

Break-down
take down
you're busted.
Shake down
break-down
honey

just about the time you think that it's alright

Break-down
take down
you're busted.

Shake down
break-down
take down

everybody wants into the crowded light

...
Shake down
break-down
take down

everybody wants into the crowded light

...
Shake down
break-down
take down

everybody wants into the crowded light
