[Talking intro:]

You know what pop? What's that son?  
Christmas just isn't gonna be the same this year.  
Why is that?

Cause Santa's got a brand new bag!

Come on jump up, ohhhh  
Sock it to me Santa, you know what I like  
Sock it to me Santa, just bring me a bike  
Christmas just won't be a drag, Santa's got a brand  
new bag

Don't you dare let those children bring you down  
You gotta spread those toys all over town  
My stocking's all hung so you can see  
Don't hang me up Santa lay some toys on me  
Sock it to me Santa you know where it's at  
Sock it to me Santa I want a baseball bat  
Christmas just won't be a drag, cause Santa's got a  
brand new bag  
I say come on Dancer, come on Prancer  
A brand new Santa's got to be the answer  
Come on Comet, and come on Cupid  
Don't just stand there lookin' stupid

[guitar solo]

He's got a bright red cape and a white moustache  
(sock it to me Santa)  
He's got lots of toys but no time for trash (sock it to me  
Santa)  
He's dressed real warm from his head to his toes (sock  
it to me Santa)  
He lost a little weight but his jelly still rolls (sock it to me  
Santa)  
Sock it to me Santa, you heard what I said  
Sock it to me Santa, just bring me a sled  
Christmas just won't be a drag, cause Santa's got a  
brand new bag

Sock it to me Santa  
Sock it to me Santa
