I know it's late, I know you're weary
I know your plans don't include me
Still here we are, both of us lonely
Longing for shelter from all that we see
Why should we worry, no one will care girl
Look at the stars so far away
We've got tonight, who needs tomorrow?
We've got tonight babe
Why don't we stay?

Deep in my soul, I've been so lonely
All of my hopes, fading away
I've longed for love, like everyone else does
I know I'll keep searching, after today
So there it is girl, I've got it all now
And here we are babe, what do you say?
We've got tonight, who needs tomorrow?
We've got tonight babe
Why don't we stay?

I know it's late, I know you're weary
I know your plans don't include me
Still here we are, both of us lonely
Both of us lonely

We've got tonight, who needs tomorrow?
Let's make it last, let's find a way
Turn off the light, come take my hand now
We've got tonight babe
Why don't we stay?
We've got tonight babe
Why don't we stay?
