Boogie!  
Ooh yeah  
I know we can't play this club  
Without doin' at least one boogie right?  
Alright  
I'm sure you're gonna recognise this song  
I'm gonna tell you what I'm gonna do tonight  
After this here concert here takes place  
I'm gonna go wander out and prowl out the streets of  
Schaumburg  
Me and the whole Silver Bullets, everybody  
And in the wee wee hours  
Say about 3 or 4 in the morning  
One of us is bound to spot that right little girl  
And this is what we're gonna say when we see her

You need schoolin', baby I ain't foolin'  
I'm gonna send you, out for some schoolin'  
Way way down inside, I'm gonna give you my love  
I'm gonna give you every bit of my love  
I'm gonna give you my  
Oh!

Whole lotta love  
Whole lotta love

You've been learnin', baby I've been learnin'  
All these good times baby gonna keep on turnin'  
Way way down inside, I'm gonna give you my love  
I'm gonna give you every bit of my love  
I'm gonna give you my

Whole lotta love  
Whole lotta love  
Whole lotta love  
Whole lotta love

You need love  
Whole lotta love  
You need love  
Whole lotta love

You've been learnin', baby I've been learnin'  
All these good times baby gonna keep on turnin'  
Way way down inside, I'm gonna give you my love  
I'm gonna give you every bit of my love  
I'm gonna give you my

Whole lotta love  
Whole lotta love  
Whole lotta love  
Whole lotta love  
You need love  
Whole lotta love  
You need love  
Whole lotta love

Good night everybody!
