A gypsy wind is blowing warm tonight
the sky is starlit and the time is right
And still you're tellin' me you have to go
Before you leave there's something you should know
Yeah something you should know babe

I've seen you smiling in the summer sun
I've seen your long hair flying when you run
I've made my mind up that it's meant to be
Someday lady you'll accompany me

Someday lady you'll accompany me
Out where the rivers meet the sounding sea
You're high above me now
you're wild and free ah but
Someday lady you'll accompany me
Someday lady you'll accompany me

Some people say that love's a losin' game
you start with fire but you lose the flame
The ashes smolder but the warmth's soon gone
you end up cold and lonely on your own

I'll take my chances babe I'll risk it all
I'll win your love or I'll take the fall

I've made my mind up girl it's meant to be
Someday lady you'll accompany me

Someday lady you'll accompany me
it's written down some where, it's got to be
You're high above me flyin' wild and free
ah but someday lady you'll accompany me
Someday lady you'll accompany me

Someday lady you'll accompany me
out where the rivers meet the sounding sea
I feel it in my soul, it's meant to be
oh someday lady you'll accompany me
Someday lady you'll accompany me

You will accompany me

(ooh ooh)
Yeah
(ooh ooh, you'll accompany me)
Someday lady
(ooh ooh)
(ooh ooh, you'll accompany me)
Someday lady
(ooh ooh)
(ooh ooh, you'll accompany me)
Someday lady
(ooh ooh)
I know you're gonna walk with me
and talk with me
(you'll accompany me)
Someday lady...

(repeat to fade)
