I think about the places I have been
And what I've seen
And all the lessons I've learned in between
Twenty some odd years and nothing's changed I'm still
the same
Still learning from this never ending dream
This life it teaches me of many things like disbelief
And trusting in dishonesty
And love it keeps me dragging on and on
But something's wrong
And I just can't seem to figure out the scheme
Another time might make me crazy
But all I've got is time
Satisfactions never guaranteed
I know you agree
It's best to live inside our memories
And if I make it to the otherside
I'll be satisfied
I'm never coming back for anything
