Looking into your eyes I see,
All I want to be and I don't want it to end.
If I could only put two words away, I'd see you.
I only know I have an angel with me now.

And when I fall asleep you're all that I see.
You're in my thoughts and all of my prayers.
I wish I could be all that you mean to me.
My angel without wings.
My angel

I wish you could see, all that you mean to me.
But I could never find the words to tell you.

And when I fall asleep you're all that I see.
You're in my thoughts and all of my prayers.
I wish I could be all that you mean to me.

And when I fall asleep you're all that I see.
You're in my thoughts and all of my prayers.
I wish I could be all that you mean to me.
My angel without wings.
