My swagga has go it going on

And I gotta try just be myself

Because I know got my game right

And I look tight

If your feeling what I'm feeling then just let yourself go

Priceless:

It's time to blow

So if you got that swagga let it show

If you know your looking good from head to toe

Let me see you stepping to the beat

Get on your feet

And let me hear you say

Jade:

I will never give up on my dreams

I will always try to reach the top

I will never stop until I shine bright

Under the star light

And haters won't hold me back
And hurt me coz
I'm fly high

Priceless:
It's time to blow
So if you got that swagga let it show
If you know your looking good from head to toe
Let me see you stepping to the beat
Get on your feet
And let me hear you say

Chorus:
I've got my swagga (swagga) swagga (swagga)
swagga (hey)
I've got my style (style) style (style) style (oh)
I'm so fly (I'm so fly... I'm so fly)
I'm so fly I can touch the sky x2

Ayshen:
You're never gonna hold me down
I'm always gonna be around
And what they say won't change me or never break
It'll only help to make me stronger

Priceless:
Yeah they like to talk about me
Saying have you seen her?
They like the way I do me
And show off my demean (woah)
Always fresh and cleaner
Who's in the Lamborghin-er
Clearly,
Got haters wishing they like had to g me

Always talking 'bout my style
It's something that never seam (never seam)
Like the way I flaunt my stuff
And shake my tambourine (tambourine)
Always wear my swagga like daily routine
And if you know you got some then let me hear you
scream

Chorus:
I've got my swagga (swagga) swagga (swagga)
swagga (hey)
I've got my style (style) style (style) style (oh)
I'm so fly (I'm so fly... I'm so fly)
I'm so fly I can touch the sky x3

Priceless:

Yeah!
