Well I know that it's late but the words wouldn't wait  
I'm really sorry that I woke you up  
I don't know what's come over me  
If I'm wrong let me know  
Do you think I should go?  
But before you give an answer think of somewhere  
you'd rather be

All that I have  
Twenty six dollars and the keys to a Cadillac  
All that I know  
Drive all night go anywhere you wanna go  
All that I want and all that I need  
All I wanna know is, do you wanna come with me?

You deserve more than this, packing guilt for a trip  
I never thought that I would get this far  
Searchin' for the words to say  
Summer wind desert stars  
All of this could be yours  
You know it only takes two words and we'll both be on  
our way

All that I have  
Twenty six dollars and the keys to a Cadillac  
All that I know  
Drive all night go anywhere you wanna go  
All that I want and all that I need  
All I wanna know is, do you wanna come with me?

All I have, all I know  
I changed the station and our song is on the radio  
All I have, all I know  
Drive all night, go anywhere you wanna go  
All I have, all I know  
I changed the station and our song is on the radio  
All I have, all I know  
Drive all night, go anywhere you wanna go

Drive all night, go anywhere you wanna go  
Drive all night, go anywhere you wanna to
