I think about the places I have been
And what I've seen
And all the lessons I've learned in between
Twenty some odd years and nothing's changed
I'm still the same
Still learning from this never ending dream

This life it teaches me of many things
Like disbelief And trusting in dishonesty and love
It keeps me dragging on and on
But something's wrong
And I just can't seem to figure out the scheme

Another time might make you crazy
But that's all I've got is time (x2)

Satisfactions never guaranteed
And you agree
It's best to live inside our memories
And if I make it to the otherside
I'll be satisfied
And I'm never coming back for anything

Another time might make you crazy
But that's all I've got is time(x2)

This life it teaches me of many things
Like disbelief.....and I'm never coming back for
anything

Another time might make you crazy
But that's all I've got is time (3x)
