Politically correct and mentally erect
I'm doing everything I can to conserve the best
But life ain't nothin' but a bowl a grits
And this United States proud crap makes me sick

People tell me to make a name for yourself
'Cause that's the only way you're gonna get outta this
hell
I'm gonna try and try and try and do all that I can
But I'll never understand

It's guaranteed I'm making minimum wage
I can't survive this day and age
Home of the free
Land of the brave
I can't survive this day and age
It's guaranteed I'm making minimum wage

I'll take a work strike over a tax hike
Any day of the year
And I don't care about anything
As long as those striking ain't bottling beer

Give me a gun let's go get the businessman
He wouldn't mind he's protected by the aliens
I've got a green man in my backyard
This time the government has gone too far

It's guaranteed I'm making minimum wage
I can't survive this day and age
Home of the free
Land of the brave
I can't survive this day and age
It's guaranteed I'm making minimum wage, minimum
wage

It's guaranteed I'm making minimum wage
I can't survive this day and age
Home of the free
Land of the brave
I can't survive this day and age
It's guaranteed I'm making minimum wage, minimum

wage

Minimum wage
