Well I know, That It's sad.
But the World's, One way!
I'm really sorry that I woke you up,
But I know what is known to me.
If I'm Wrong, Let me know.
Do you think, I should go?
But before you give an answer,
Think of something you'd rather be.

All that I have,
26 dollars and the keys to a Cadillac
All that I know
Drive all night go anywhere you wanna go
All that I want, and all that I need
All I wanna know, is do you wanna come with me?

You deserve more than this,
(Can't hear this part)
I never thought that I would get this far,
You're so much more than words can say
Summer wind, desert stars,
All of this, could be yours.
You know it only takes 2 words,
And we'll both be on our way

All that I have,
26 dollars and the keys to a Cadillac
All that I know
Drive all night go anywhere you wanna go
All that I want, and all that I need
All I wanna know, is do you wanna come with me?

All I have, all I know,
I turn the station and our song is on the radio.
All I have, all I know,
Drive all night, go anywhere you wanna go.
All I have, all I know,
I turn the station and our song is on the radio.
All I have, all I know,
Drive all night, go anywhere you wanna go.
Drive all night, go anywhere you wanna go.
Drive all night, go anywhere you want to
