My intention, this deception

Doesn't seem to impress me anymore

Three in the morning so the city should be sleeping

Let's take a trip on to the otherside

It's time to see what kind of shit we'll get away with

I never felt this much alive

Hey you want it! Hey we'll get it! Hey steal the attention

from everybody!

Hey you want it! Hey we'll get it! Hey you wanna fuck shit up well c'mon!

Hey you want it! Hey we'll get it! Hey steal the attention from everybody!

Hey you want it! Hey we'll get it! Hey you wanna fuck shit up well motherfucker c'mon!

God forsaken, forced vacation

Is the only thing that lies in store

I think I see one no lights are on garage is open

So it in a hurry so we're in and we're gone

Hold on I think I hear somebody else's footsteps

Now hold your breath and just get ready to run

I bet you feel like you're about to piss your pants now

But deep inside you know this game is fun c'mon

Hey you want it! Hey we'll get it! Hey steal the attention from everybody!

Hey you want it! Hey we'll get it! Hey you wanna fuck shit up well c'mon!

Hey you want it! Hey we'll get it! Hey steal the attention from everybody!

Hey you want it! Hey we'll get it! Hey you wanna fuck shit up well motherfcuker c'mon!

Hey you want it! Hey we'll get it! Hey steal the attention from everybody!

Hey you want it! Hey we'll get it! Hey you wanna fuck shit up well c'mon!

Hey you want it! hey we'll get it! hey steal the attention from everybody!

Hey you want it! hey we'll get it! hey you wanna fuck shit up well c'mon!

hey you want it! hey well get it! hey steal the attention from everybody!

hey you want it! hey well get it! hey you wanna fuck shit

up well motherfucker c'mon!
