My intention, this deception
Doesn't seem to impress me anymore

Three in the morning, so the city should be sleeping
Let's take a trip on to the other side
It's time to see what kind of shit we'll get away with
I never felt this much alive

Hey, you want it, hey, we'll get it
Hey, steal the attention from everybody
Hey, you want it, hey, we'll get it
Hey you wanna fuck shit up, well come on

Hey, you want it, hey, we'll get it
Hey, steal the attention from everybody
Hey, you want it, hey, we'll get it
Hey you wanna fuck shit up, well motherfucker come
on

God forsaken, forced vacation
Is the only thing that lies in store
I think I see one, no lights are on
Garage is open do it in a hurry, so we're in and we're
gone

Hold on, I think I hear somebody else's footsteps
Now hold your breath and just get ready to run
I bet you feel like you're about to piss your pants now
But deep inside you know this game is fun

Come on , hey, you want it, hey, we'll get it
Hey, steal the attention from everybody
Hey, you want it, hey, we'll get it
Hey you wanna fuck shit up, well come on

Hey, you want it, hey, we'll get it
Hey, steal the attention from everybody
Hey, you want it, hey, we'll get it
Hey you wanna fuck shit up, well motherfucker come
on

Hey, you want it, hey, we'll get it

Hey, steal the attention from everybody
Hey, you want it, hey, we'll get it
Hey you wanna fuck shit up, well come on

Hey, you want it, hey, we'll get it
Hey, steal the attention from everybody
Hey, you want it, hey, we'll get it
Hey you wanna fuck shit up, well motherfucker come
on
