My reflection, dirty mirror

There's no connection to myself

I'm your lover, I'm your zero

I'm in the face of your dreams of glass

So save your prayers

For when we're really gonna need'em

Throw out your cares and fly

Wanna go for a ride?

She's the one for me

She's all I really need

Cause she's the one for me

Emptiness is loneliness, and loneliness is cleanliness

And cleanliness is godliness, and god is empty just like
me

Intoxicated with the madness, I'm in love with my
sadness

Bullshit fakers, enchanted kingdoms

The fasion victims chew their charcoal teeth

I never let on, that I was on a sinking ship

I never let on that I was down

You blame yourself, for what you can't ignore

You blame yourself for wanting more

She's the one for me

She's all I really need

She's the one for me

She's my one and only
