"Be Italian"

[Spoken:]

So you little Italian devils, you want to know about love?
Saraghina will tell you. If you want to make a woman
happy, you lie on what you're born with, because it is in
your blood.

Be Italian

Be Italian

Take a chance and try to steal a fiery kiss

Be Italian

Be Italian

When you hold me don't just hold me but hold this

Please be gentle, sentimental

Go ahead and try to give my cheek a pat

But be daring and uncaring

When you pinch me try to pinch me where there's fat

HA!

Be a singer be a lover

Pick the flower now before the chance is past

Be Italian

Be Italian

Live today as if it may become your last!

Hey!

Be a singer be a lover

Pick the flower now before the chance is past

Be Italian

Be Italian

Live today as if it may become your last!
