Honey, oh honeyyyy
Agyness: I can sense you're attracted to me
I can plainly see
Do you want my body?
Hee Hee Heyyaa

Fergie: I might not have an appetite
But i have feelings so you should treat me right
Skinnier than the girls out there
I also have myself some sexy hair

Both: Babe, you should date us (The model type)
Kissy, kissy (The model type)
Us, us, us, we are (The model type)
Honey, we sexy (The model type)

Agyness: Honey, babe
We are ***** sexy
[Incomprehensible] Jacko, or Justin
Don't date that Alessandra

Fergie: I may be a singer
A one top-shop winner
Baby, date me
Agyness and Fergieeeeeeee!

Chorus

Both: We are (the model type)
Fergie: Hahahaaa
Agyness: Quankhaquankha
