He's got what all the ladies want,  
The looks, the clothes, the money.  
He's a thriller just to be around,  
He's got the moves all down.

[Chorus]  
All the girls start swarming,  
He knows he's got 'em good.  
All the girlies want him,  
Just like they should.

When he comes into the room,  
Feels like the air vibrates. (Uh huh)  
Everybody turns to look,  
They all look right his way. (Yeah)

He's got the moves, the rep, he's smooth, (Mmm)  
He knows just how to do it.  
This guy is something else you know,  
He really is a thriller! (Woo!)

[Chorus]  
All the girls start swarming,  
He knows he's got 'em good.  
All the girlies want him,  
Just like they should.

So when this guy comes near you, (Hey)  
Ya feel th' adrenaline start.  
He gets y'all excited, (Oo!)  
The room feels kinda hot.

If you get real lucky,  
He'll take you 'out' with him. (C'Mon)  
You're feelin' really special,  
And the feeling last real late. (Uhh!)

[Chorus]  
All the girls start swarming,  
He knows he's got 'em good.  
All the girlies want him,  
Just like they should.

This guy, he's a total thriller,  
The baddest of the bad.  
And what he does is risky,  
But every night's the best you'll have.

He's a thriller (thriller),  
Thriller man (Ooo...)  
He's a thriller (uh huh)  
Thriller man (And what a man!) [2x]

He's a thriller,  
Ooooo.....  
Thriller (Thriller man)  
Yeeah!...
