(Feat. Fergie)

Inhale The Vapours
No one can save you
You have the vopours
It's time to Pay up

(music)

Your soul decided to make a deal
I bet you thought the envelope was sealed
did you ever think the truth would be revealed
as if you didnt know what you had done
now feel a linger in your lungs (your lungs, your lungs)
when you think about it have you really won

Inhale The Vapours
No one can save you
you have the vopours
it's time to Pay up

Betch'u did a dirty little thing
but lately tricks are playing with ur brain
had they found out insane insane insane
can u feel it now sinking in ur skin
they told me all about ur little sin (ur sin, ur sin)
thought they wouldnt find out and u'd win

Inhale The Vapours
No one can save you
you have the vopours
its time to Pay up

(guitar)

VAPOURS
YOU HAVE VAPOURS
VAPOOUURRSSS
YOU HAVE VAPOURS

your soul decided to make a deal

i bet you thought the envelope was sealed
did you ever think the truth would be revealed?

Inhale The Vapours
No one can save you
you have the vapours
its time to Pay up
(guitar)

INHALE THE VAPOURS

No one can save you
