

Fergie "Velvet"

Visit "[Velvet](#)" on [MotoLyrics.com](#)

It's cold outside,
Why don't you come in?
I know, my walls are crumbling
It's late at night,
And lately I've been alone
But that could be changing

What you do to me,
Conjures up feelings I've never felt before
And your company I adore
So deliciously
Gold and burgundy sink into me I feel so warm

I feel you,
I taste you,
The smoothest wine,
Like velvet,
Can't help it,
This love's divine

The moon is full,
The stars are aligned
I know, just look into my eyes
It's beautiful,
Your skin against mine
I hope, you let your mind take flight

Under velvet skies
Lover we can fly away from the world
Let all of our love unfurl
What a gorgeous ride
You don't have to hide a thing from me,
I am your girl

I feel you,
I taste you,
The smoothest wine,
Like velvet,
Can't help it,
This love's divine

I'm ready to feel you

Slowly we escape
Our time we can take , we can take, we can take
IÂ'm ready to feel you, feel you , feel you, feel you,
feel you, feel

I feel you (ready to feel you),
I taste you (feel you),
The smoothest wine (mmmmm),
Like velvet,
CanÂ't help it (so smooth soo smooth),
This loveÂ's divine (so smooth i'm ready to feel you,
ready to feel you)

I feel you,
I taste you,
The smoothest wine,
Like velvet,
CanÂ't help it,
This loveÂ's divine (so divine, feels so divine, just can't
help myself)
