I don't have arms
I don't have legs
I don't have any human qualities

Ooh ooh ooh oh
Ooh ooh ooh oh
Ooh ooh ooh oh
Ooh ooh ooh oh

Verse 1: The devil comes and-uh,
I try to stall and-uh
Soon my subconscious and conscious might start to
brawl and-uh
Put up my walls and-uh
They begin to fall as-uh
This cunning demon takes me as it's voodoo doll and-
uh.

Darkness sets in as the horns start to grow,
Suddenly I become somebody I don't know.

Chorus: Whoa - what do I do?
Ooh ooh ooh oh - This body's a temple of doom.
Whoa - what can I say?
To - ooh-ooh Oh make all of this go away?

I got many different names,
But to you it's all the same.
I be the crawlin in your skin,
I be the reason for your sin.
I be the cunning in your charm,
And I be the needle in your arm.
Call me once might let you go,
But a call me twice and then I'm gonna get ya.

Verse 2: Mind playin' tricks on me,
I'm paranoid, homie.
Nobody knows what i'm going thorough,
God, I'm so lonely.
I know I'm losin' it,
I'm hearing ...Whispering.
Somebody's watchin' me, clockin' me, hear my heart

tickin'. Worshiping two gods can get you in deep...
Crystal balls show you things you're not supposed to
see.

Whoa - what do I do?
Ooh ooh ooh oh - This body's a temple of doom.
Whoa - what can I say?
To - ooh-ooh oh make all of this go away?

You see me comin' for ya
You know I'm gonna get cha
I said I'm gonna get cha

You know IÂ'm comin' for ya
You see me comin' for ya

You know IÂ'm gonna get cha
I say IÂ'm gonna get cha

You know IÂ'm comin' for ya
You see me comin' for ya

You know IÂ'm gonna get cha
I say IÂ'm gonna get cha

You know IÂ'm comin' for ya
You see me comin' for ya

You know IÂ'm gonna get cha
I say IÂ'm gonna get cha

You know IÂ'm comin' for ya
You see me comin' for ya

You know IÂ'm gonna get cha
I say IÂ'm gonna get cha
