Ooooooooooooooh

Ooooooooooooooh

Yea yea yea

Ooooooh

Ooooh yea

Now you and I

Can get together

Let us start a revolution

Change this world

To what it should be

And forget all this confusion

We could live together

For the sake of love

What are we fighting for

Ooh now

We could start heeling today

If we can just learn to give

Give a lil' love

You and I can change the world

Live a lil' love

Make it beter if we try

Show a lil' love

Let your love rain

Let it rain down on me

Now if we wait and do nothing

Then what about their future

How can we look in to their eyes

And say we love our children

We can make it beter

Feel the love inside

Forget foolish pride

Ooh yea

I know that we can find the way

If we can just learn to give

Give a lil' love

You and I can change the world

Live a lil' love

Make it beter if we try
Show a lil' love
Let your love rain
Let it rain down on me

So let it rain

For the people
Let it rain
Shower me whit your love
Let it rain now
Let it rain

And let the children sing
Around the world you feel the love that we say hey
Around the world we say make a beter day
Around the world we feel the love that we say hey
Around the world we say make a beter day
Around the world we feel the love that we say hey
Around the world we say make a beter day
Around the world we feel the love that we say hey
Around the world wa say make a beter day

Come on come on come on yea
Give a lil' love
You and I can change the world
Live a lil' love
We can make it happen
Show a lil' love
Let it rain
Let it rain down on me
Let it rain
So let it rain
For all the people
Let it rain
So let it rain

Aaaaaaaaaah
Oooooooooooh

Oooooooooooh
Aaaaaaaaaaaaah
Oooooooooooh
Aaaaaaaaaaaaah
Oooooooooooh
