Beat in the heart like a hammer of thunder.
Heat up the souls rising up to the beat
We got beat in the heart like a hammer of thunder
Hard
Ah hammer mighty heart
Bones, made of stone

Beat in the heart like a hammer of thunder.
Heat up the souls rising up to the beat
We got Beat in the heart like a hammer of thunder
Hard
A hammer mighty heart
Bones, made of stone
Bones, made of stone
Beat in the heart like a hammer of thunder.
Heat up the souls rising up to the beat
We got Beat in the heart like a hammer of thunder
Hard
A hammer mighty heart
Bones, made of stone
Bones, made of stone
Bones, made of stone
Bones, made of stone
