BABY

(Ray Griff)

© '65 Helene Blue Musique, ASCAP

Baby sweet sweet baby my world's so cold and empty
since you've gone
Baby sweet sweet baby without you I don't know how I'll
go on
I've got that lonesome feeling deep inside of me
And it just keeps right on hurtin' all the time
Oh I'd forget you if it wasn't for your memory

You're out of sight but you're never never out of my
mind
Oh baby sweet sweet baby I can't help loving you the
way I do
Baby sweet sweet baby please come on back and call
me baby too baby
