CHILLS

WRITERS GERRY GOFFIN, JACK KELLER

(chilly, chilly, wah-wah-wah-wah) (chilly, chilly, wah-wah-wah-wah) Chills, runnin' up and down my spine  
Well I get them every time That I feel your lips on mine  
(chilly, chilly, wah-wah-wah-wah) Chills, colder than the  
No-orth Pole Creepin' down inside my soul 'til I lose my  
self-control Whoa, what a feelin' It's like a roller-coaster  
ride You say you love me Then my heart starts a-  
poundin' inside Let me tell you 'bout Chills, colder than  
the No-orth Pole Creepin' down inside my soul 'til I lose  
my self-control Oh, what a feelin' It's like a roller-  
coaster ride You say you love me Then my heart starts  
a-poundin' inside Let me tell you 'bout Chills, colder  
than the No-orth Pole Creepin' down inside my soul 'til I  
lose my self-control (chilly, chilly, wah-wah-wah-wah)  
Chills, runnin' up and down my spine Whoa-oh-oh,  
Chills Whoa-whoa-whoa, I've got chills
