(Jimmy Peppers)

We used to be happy at Christmas
Our love seemed to grow more and more
Now there's not a Christmas tree nothing in this house
but me
And Christmas don't seem like Christmas anymore.

Oh, what I'd give if I could see you
And have a love the way it was before
The only thing that I can say on this Christmas Day
Christmas don't seem like Christmas anymore.

This Christmas Day will be just another day
Don't you see how many heartaches you could have
saved me
There's no use to pretend life for me is at an end
And Christmas don't seem like Christmas anymore.

No, Christmas don't seem like Christmas anymore...
