Tempted and tried we're oft made to wonder why it
should be thus all the day long
While there are others living about us never molested
though in the wrong
Farther along we'll know all about it farther along we'll
understand why
Cheer up my brother live in the sunshine we'll
understand it all by and by
[piano]
When death has come and taken our loved ones it
leaves our home so lonely and drear
While they are others living about us living so wicked
year after year

Farther along we'll know all about it...
