Flat River, Mo., Flat River, Mo.  
It's been a many a day since I watched her waters flow  
If I ain't got the money to pay, I'm gonna walk every  
step of the way  
'Cause I gotta go back to Flat River, Mo.

The clothes on my back have been friends with the  
ground too long  
And my foolish dream of wealth and fame is gone  
Each day the hand of failure wakes me up at the break  
of dawn  
And tells me to go back home to Flat River, Mo.

Flat River, Mo., Flat River, Mo.  
It's been a many a day since I watched her waters flow  
If I ain't got the money to pay, I'm gonna walk every  
step of the way  
'Cause I gotta go back to Flat River, Mo.

--- Instrumental ---

I wonder if Mary's heart has ventured and grown fond  
I wonder if the baby calls her mom  
At night when the city lights and the neon signs come  
on  
They don't shine like the moon back home over Flat  
River, Mo.

Flat River Mo., Flat River Mo.  
It's been a many a day since I watched her waters flow  
If I ain't got the money to pay, I'm gonna walk every  
step of the way  
'Cause I gotta go back to Flat River, Mo.

Flat River, Mo., Flat River, Mo.  
It's been a many a day since I watched her waters flow  
If I ain't got the money to pay, I'm gonna walk every  
step of the way  
'Cause I gotta go back to Flat River, Mo...
