(Jimmy Peppers - Ferlin Husky)

Get out of my life if you don't love me  
Get out of my life and leave me alone  
Get out of my life if you don't want me  
No need to pretend, that feeling is gone.

Get out of my life and live your own  
Dear, don't condemn me I won't condemn you  
I was no saint and you were no angel  
Get out of my life, let's face that we're through.

--- Instrumental ---

Get out of my life if you don't love me  
Get out of my life and leave me alone  
Get out of my life if you don't want me  
No need to pretend, that feeling is gone.

Get out of my life and live your own  
Dear, don't condemn me I won't condemn you  
I was no saint and you were no angel  
Get out of my life, let's face that we're through...
