The Gods were angry with me for loving you The Gods were angry with me because they knew I stood at heaven's portal and that was too high for any model such as I

Because I knew the Gods were angry with me for loving you

Once upon a time when our love was new And I was happy with the love that I've found

Then the Gods and the sun and the moon and the stars looked down
And saw me there with you
And they sent my dream world crash into the ground
(It was because the Gods were angry with me)
The Gods were angry with me...
