(B.G. DeSylva - Lew Brown - Ray Henderson)

There she is my old gal there he is my old pal
And here am I broken hearted
Mine in May his in June she forgot mighty soon
And here am I broken hearted.

The last time as she said goodbye I believed that she
was true
It's bad enough that I lost her I had to lose him too
There they go in their joy happy girl lucky boy
And here am I broken hearted.

The last time as she said goodbye I believed that she
was true
It's bad enough that I lost her I had to lose him too
There they go in their joy happy girl lucky boy
And here am I broken hearted....
