Everybody says you let me down I should be ashamed  
to take you round

Makes no difference what you used to do darling I  
could never be ashamed of you

Maybe you were reckless yesterday but together we  
can find a brighter way

In my heart I know that you'll come true darling I could  
never be ashamed of you

[ steel ]

All the happiness I've ever known came the day you  
said you'd be my own

And it matters not what we go through darling I could  
never be ashamed of you

Maybe you were cheated in the past and perhaps those  
memories will always last

Even though you prove to be untrue darling I could  
never be ashamed of you
