(Wayne P. Walker)

Oh, oh, oh, oh, I feel that old heartache again
The one that started when I loved you
I told myself it was over I was happy
But then I saw you and it started again.

I saw you dancing with somebody new
And you had put him in my place with you
You looked at me and saw my teardrops begin
I looked you and it started again.

How long, how long will it last
Tell me, tell me will time ever pass?

Oh, oh, oh, oh, I feel that old heartache again...
