(Bobbie Carroll - F. Allen)

I saw God on the mountain
He was grand beyond compare
How do I know I saw Him
Because the mountain was there.

I saw God by the seashore
Saw His presence everywhere
How do I know I saw Him
Because the sea was there.

(I saw God in the garden
Saw His tender loving care
How do I know I saw Him)
A rose was blooming there.

But I see God most clearly
Each night when I climb the stairs
How do I know I see Him
My love lies sleeping there...
