"I Walk Alone"

I walk alone, where once we wandered
It seems so strange that you are gone
'Til you return I'll stay the same dear
I'll still be true, And walk alone.

Chorus

Flame of love is brightly burning
I know that i'm your very own
'til you return I'll stay the same dear
I'll still be true and walk alone.

I walk alone, where once we wandered
It seems so strange that you are gone
'Til you return I'll stay the same dear
I'll still be true, And walk alone.

Chorus

Flame of love is brightly burning
I know that i'm your very own
'til you return I'll stay the same dear
I'll still be true and walk alone...
