Yeah be my baby let me stay with you I'll be your daddy
and your mama too

I'll hug and kiss ye listen that you'll coo if you'll be my
baby I'll baby sit with you

If you'll be my baby I don't mean maybe I'll buy you
candy pretties too

If you think I'll get ye I'll love and pet ye if you'll be my
baby I'll baby sit with you

[steel]

If you'll be my pi-pi I'll dress you up real neat I'll read
you stories rock you to sleep

I'll never leave you or make you blue if you'll be my
baby I'll baby sit with you

If you'll be my baby and mine alone I'll never spank ye
or do you wrong

I'll never scold you no matter what you'll do

If you'll be my baby I'll baby sit woth you

Yeah be my baby I don't mean maybe...
