(Ruth Lowe)

I'll never smile again until I smile at you  
I'll never laugh again what good would it do  
For tears would fill my eyes my heart would realize  
That our romance is through.

I'll never love again I'm so in love with you  
I'll never thrill again to somebody new  
Within my heart I know I will never start  
To smile again until I smile at you.

--- Instrumental ---

Within my heart I know I will never start  
To smile again until I smile at you...
