"Love Takes Care Of Me"

Oh your love takes good care of me
yes your love takes good care of me

And when the rain falls the wind blows
the storm is on the sea

I'll be safe your love takes care of me

When life for me gets weary and the sun refuses to shine

I'll run to the arms of the one I love and there I'll hide

You know just what to do and say
you make my life worth while

And when I look into your face
I see heaven in your smile

And your love takes good care...

I'll be safe your love takes care of me
