Oh it's been such a long long time looks like I could get
you off my mind
But I can't for just the thought of you turns my world a
misty blue
Just the mention of your name turns the flicker to a
flame
I think of things that we used to do then my whole world
turns misty blue
I should forget you heaven knows I've tried
But when I said I'm glad we're through my heart knows
that I've lied
Oh it's been such a long long time looks like I could get
you off my mind
But I can't for just the thought of you turns my world a
misty blue

Yes just the thought of you turns my world a misty blue
